Before you join our webinar:

- Create a list of colleagues who are interested to join our language courses and professional development courses. Assess their specific needs and your organisation's needs. Discuss your idea with your colleagues and the head of your unit/department. Why does your school need this project?
- Plan the time to meet with your team to regularly assess progress.
- Carefully read [Can I get a grant?](#)
- You will need to download and install the Zoom desktop application to use meeting chat and participate in polls. If you haven't used Zoom yet, please take your time to click the Webinar URL provided at registration and follow the prompts to download and install the Zoom desktop application. For more information, please [read here](#).

Frequently Asked Questions (FAQ)

1. *When will the courses take place?* We will help to submit your application to the 2022 call, so your courses will take place in 2023 and 2024. Your small internal team should choose one or more of [our courses](#) and select one or more of the available dates. Course dates are confirmed once the minimum number of participants is reached. To avoid

disappointment, please choose as many [confirmed courses](#) as you can and get in touch with us about the other available dates.

2. *Can I prepare an Erasmus+ application even if I am only one teacher?* We believe professional development of teachers is not a task for one single teacher: it is a task for a team. When you go abroad, we recommend to take one or more of your fellow teachers with you: together you will accomplish so much more. **We strongly recommend you create a small internal team of dedicated teachers and staff of your school.**
3. *Can I ask questions during the webinar?* You can type questions about the session content or clarification about the current assignment in the public chat and we will answer as many as we can at the end of each session. Please, schedule your call with us and we will be happy to provide support as soon as possible.
