Can Italian teachers have English courses in Padova or the must go to Dublin?

Erasmus+ Key Action 1 mobilities are about moving physically from your own country to another. So, teachers from Italy cannot implement a mobility in Padova (Italy) and must go abroad.

Where do we need to find the projects that other coordinators have created?

Please, contact [your National Agency](#) and they might be able to share with you contact details of your local mobility consortia.

Do we have a higher chance of successful application if we tender with more teachers?

Erasmus+ Key Action 1 short-term mobility projects can have maximum 30 mobilities and the number of mobilities is not a scoring criteria. Please, [subscribe to our newsletter](#) to know more about our future webinars and learn more about how to maximise your scoring points.
