- Choose the Erasmus+ section
- Choose your sector
- Choose the short-term mobility project application form

OID: the identifier you need to make your application. Poll 2.A!

- Did you get your OID?

Your live application form

Context and background

- Start date

- Project duration: from 6 to 18 months

- The applicant's profile, experience, activities and target population of learners are relevant for the field of school education

Project objectives

- The plan to make your school international

- From your current status to a vision of the future

- Priorities
  - European policies
  - Erasmus+ objectives
  - Country-specific priorities
  - Your school

Information about your context

Information about your school

European policies

- **Green:** European Green Deal

- **Digital:** Digital Education Plan

- **Fair and inclusive:** European Pillar of Social Rights, Inclusion and Diversity Strategy

- **EU and education and training**
  - European Education Area 2025
  - Council conclusions on European teachers and trainers for the future
  - … and more!

Erasmus+ objectives and Country-specific priorities

- Erasmus+ objectives and basic principles
  - Green: Environmentally sustainable and responsible practices
  - Digital: Digital transition in education and training
  - Inclusion and diversity
  - Active participation

- Country-specific priorities
  - Regional policies
 - Contact your National Agency

Your school

- Aspects of your organisation
  1. Management competences
  2. Staff competences
  3. New teaching methods or tools
  4. Key competences and skills of staff and learners
  5. Development of sustainable cross-border cooperation

- Tips to describe your organisation
  - Explain what "internationalisation" means for your school
  - Why European?
  - Institutional commitment
  - Adapt to your context

Needs and challenges

- Select 3 or 4 topics from our courses and organise inspiring conversations with your team and stakeholders about the **needs and challenges** of your school.

- Consider **various aspects** of your organisation: management competences (organisation of teaching and learning, etc), staff competences, new teaching methods or tools (curriculum, etc), key competences (language competences, etc), European dimension

- Identify **concrete examples**

- Identify **benefits for learners** if your organisation was improved

- Eventually, activities (courses) must be consistent with your needs

Your live application form

What is an Objective?

- Title
- Explanation
- Measuring success (how to evaluate the project outcomes):
  - Learning outcomes (Europass Mobility)
  - Other aspects
    - What
    - When
    - How
  - **Have an evaluation plan!**

- Objectives must be relevant to:
  - Your needs and challenges
  - European policies, Erasmus+ objectives, Country-specific priorities
- Eventually, activities (courses) must be consistent with your objectives

Objectives you should think of

- Green transition:
  - Incorporate green practices: Grow a tree

- Digital transformation:
  - Use of the EU digital tools and online platforms
  - Building capacity (DigCompEdu, SELFIE for Teachers, etc)
  - Communication arrangements with partners

- Make us part of your objectives and activities!
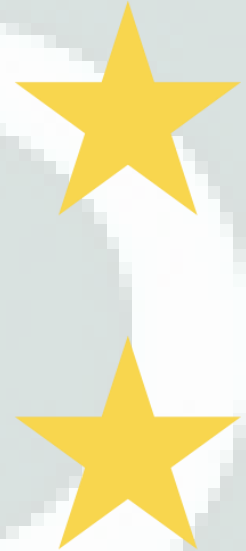

How good objectives look like

- **What:** management or staff competences, new teaching methods or tools, key competences (language competences, etc), European dimension or other areas.

- **How:** An action verb

- **Who:** A target group (students, teachers, staff, etc)

- **International:** European policies, Erasmus+ objectives, country-specific priorities

- Examples:
  - Develop sustainability education opportunities for learners by reorganising our curriculum
  - Strengthen climate-friendly teacher training and support cross-border cooperation to promote green skills
  - Build capacity and exploit the opportunities offered by digital technologies for teaching and learning
  - Increase our teachers' language skills for international cooperation

Do not copy and paste the examples above!

Your list of objectives

- Write 5 key objectives of internationalisation and modernisation of your vision for the future of your school (titles and explanations)
  - Objectives must be relevant to your needs and challenges and to European policies, Erasmus+ objectives, Country-specific priorities.
  - Eventually, activities (courses) must be consistent with your objectives
- Describe how you will measure and evaluate success of each objective

Project application guide

- Part 2: please, read it carefully and contact us if you have any question
